An ACSES is the Association of Computer Science & Engineering Students, which was established in year 2012 with the spirit to spread technology of Silicon Valley at its easiest way. The main objective of the association is to provide a well platform for Computer Engineering Students where they face different level of Competition and also give them chance to show their talent.

VAP (IOT with PYTHON)

On **2nd Jan. 2017**, Monday **Computer Science & Engineering** Dept. has organized a Value addition program on **IOT with PYTHON**. The resource persons were **Mr. Wassim Durrani.** He is working as an System analyst in Aedifico Tech. PVT LTD, Delhi. This course has continued till **9th Jan. 2017**. Seven days he had good technical interaction with all students. Aedifico Tech Pvt. Ltd. is software, embedded & web Development Company based in Delhi, India. It was established in 2011 and since then it has been constantly growing and excelling in the services it provides. The training from this Institute is great. He has good professional knowledge. **Aedifico Tech Pvt. Ltd.** is

software, embedded & web Development Company based in Delhi, India. It was established in 2010 and since then it has been constantly growing and excelling in the services it provides.

Availability of a pool of highly educated and well-trained specialists combined with relatively low wages standards in the country enables us to reach an impressive quality/cost trade-off and stay competitive on the global market. Prof. A. O. Mulani (HOD-ENTC), Prof. S. V. Pingale

(HOD-CSE) & all students from CSE & ENTC were present at inauguration session and shared their views on need of such value added program in academic. At the time of Inauguration ceremony Principal Dr. K .J. Karande Sir thanked team of evangelists for sharing the knowledge on IOT with Python at the end of session. Prof. S. S. Ingole organized this workshop along with Prof. S .V. Pingale (HOD-CSE).

IBM Watson IoT

24th & 25th Jan 2017
As a part of IBM Academic Initiative, a team of evangelists from Persistent Systems Ltd., Pune conducted Two days' workshop on "IBM Watson IoT & Bluemix" for our engineering students and faculty members. Mr. Amol Kulkarni – Senior Technical Evangelist have conducted this workshop. Mr. Amol Kulkarni – Senior Technical Evangelist has covered topics like Internet of Things on IBM Bluemix (cloud platform), Introduction of IBM Watson IoT Platform, and Overview of Internet of Things: How it works. Overview of Node.JS and Node-RED, Explore Watson IoT, IoT Demos,

Practical Assignments using IBM Watson IoT, A complete hand on session with live example of "texttospeech "app on present recipes with guidance students to use free access to IBM software, courses etc. Prof.A.O.Mulani (HOD-ENTC), Prof.S.V.Pingale (HOD-CSE) was present throughout session and shared their views on need of such workshop in academic. At the time of Inauguration ceremony Principal Dr.K.J.Karande Sir thanked team of evangelists for sharing the knowledge on Watson IoT & Bluemix at the end of session. Prof.S.B.Thigale organised this workshop along with all teaching

faculty of CSE Dept.
Mr.Chaitya Tikate & Miss.Rasika Kothari worked as Student coordinator for this workshop.

IEI Students' Chapter (ISC)

Thursday, 02 Feb, 2017 The Institution of Engineers-India (IEI) is an ISO 9001:2008 certified national organization which is established in 1920 in Kolkata, West Bengal. It has more than one million members in its 15 engineering disciplines across 125 centers and chapters located in India and around the world. It is the world's largest multi-disciplinary engineering professional society. The Department of CSE has got the opportunity to start the IEI Students' Chapter (ISC) under the expert guidance &

the kind motivation of Dr. K. J. Karande, Principal, SKNSCOE, Korti and with the support of Prof. S.V. Pingale, Head, Department of CSE, SKNSCOE, Korti.
The Formal Inaugural Function for "Opening of IEI Students' Chapter" (ISC) by the Department of CSE was held on **Thursday, 02 Feb, 2017** in the central AC seminar hall at SKNSCOE, Korti, Pandharpur.
The President for the program was Dr. K. J. Karande, Principal, SKNSCOE, Korti, Pandharpur and the Chief Guest for the program

was Prof. S. A. Jeurkar, Ex – Secretary, IEI-SLC (Solapur Local Centr), Solapur.
The inauguration function was started by the traditional lamp lightning ceremony before the statue of goddess Saraswati, followed by the felicitation of the Chief Guest Prof. S. A. Jeurkar by the president of the program Dr. K. J. Karande. The Chief Guest then formally inaugurated the Chapter.

Scalable computing in Big-Data Analytics

3rd March 2017 Big Data - Analytics & Development is, now-a-days, an emerging field with immense job potential due to the burst in social media and the huge volume of data that is being generated every moment . Dr,V.B.Nikam sir has shared his work experience andinformed the audience about the requirement in the industry – forecasts and trends in global and Indian

markets, lack of skill set today, job opportunities and

more importantly, what knowledge they require to get ready for the corporate world. Prof.S.V.Pingale was present throughout session and shared his views on need of organizing such seminars in academic & delivered vote of thanks also. Prof.S.B.Thigale, Prof.V.A.Dhotre,Prof.P.R.Gadekar

took a lot of efforts for grand success of this seminar. Total 150 Students of CSE attended this seminar along with 15 Faculty. Mr.Pushkaraj Sonalkar & Ms.Sonal Bhosale performed anchoring for the workshop.

TECHNOZEAL 2K17

Application delivery Network

The department of Computer Science and Engineering conducted One Day Workshop on **27th March, 2017** as a topic was "**Application delivery Network"**. The Program was inaugurated by Dr. K. J. Karande, Principal & Campus Director SKN SCOE, Korti.

Prof. S. V. Pingale, HOD, Dept. of CSE welcomes the gathering and laid the objectives of the program and urged the staff to come up with competitive projects.

Resource person **Mr. Nitin Kulkarni, Xmetric Solution Tech. Pvt.Ltd.**Punesaid that today's life style is driven by technological advancement use of Technological applications in devices is part of such inventiveness he said.

Speaking on the occasion Principal Dr. K. J. Karande encouraged for conducting such Programs and motivated staff to get trained and acquire skills as per the vision of beloved PrimeMinister.

Enlightening the occasion SKNSCOE Dr. K. J. Karande Said that such type of sessions pay a way for the students to think out of box and help them to perceive things innovative thinking and different approach determine success in the professional career, he said.

The workshop was conducted for 24Staff from various colleges of the district. The inauguration was attended by Director and Principal Dr. K. J. Karande, Hod's of various departments, Faculty mebers. The coordinator for workshop Prof. R. B. Parihar, thanked the gathering for their presence
