Sub:- Conservation of water and Electricity.

Sir/Madam,

1. Please refer our earlier circular on above mentioned subject.
2. Water and Electricity are essential natural resource; more so, with approaching summer season scarcity of these are going to increase every day. It is also to inform you that the Institute is paying very exorbitant amount for electricity and water. Hence, it is obligatory for all of us to use electricity water very judiciously.
3. You are requested to educate all students, staff members and family members staying inside the campus on the following points:-
 - a) Use electricity only when needed.
 - b) Switch off fans and light before leaving the Office/Room.
 - c) Avoid using corridor light during day time.
 - d) As far as possible use natural light during day time since all room have adequate provision of natural light.
 - e) All street light will be switch off at don (around first light) under the supervision of security supervisor / Gunman on duty.

Statement of Case

Sub.: - Proposal to Use 3/0.5 W LED Bulbs for Boy's Hostel No.02.

1. Presently 10, 15 Watts Philips make zero bulbs are being used in all the hostel for bathroom, toilet, night lamp and in the wash basin.
2. It is experienced that burnt-out rate of these bulbs is very high.
3. Electricity consumption due to use of 10Watts zero bulbs is approx. 45 units per day. At the same time if 3/0.5W LED bulbs (3W-1 No & 0.5W -2 No's) are used per day consumption is only 5.5 units. On monthly basis approx. saving is about 1192 units i. e Rs.13,700/- these Bulbs are subsidized by central & state govt's.
4. Approximate cost of 3 W & 0.5W LED bulbs Rs.85 & Rs.35 per bulb. Total requirement of 3 W LED bulbs 96no's and 0.5 W LED bulb 288no's cost is Rs.18,240/-/-.
5. Quotations from M/S Vishwa Light House, Solapur; New laxmi,mangalweda, Aparajeet sales,Pandharpur received & M/s Vishwa Light House,Solapur is selected for being lower cost. Quotations are attached.

6. Deduction -

- a) Total cost of LED bulbs if used in Boy's hostel No.02 is Rs.18,240/-.
- b) Total saving in terms of electricity considering 3/0.5Watt LED bulbs is - Rs.13,700/- per month, Rs.1,37,000/- per year.
- c) LED bulbs have warranty of two years for repair/damage.

7. Recommendation -

- a) It is recommended that LED bulbs are used in Boy's hotel No.02 at present for trial and subsequently used in Boys Hostel no-1 of the Campus.
- b) Bulbs are issued to the students allotted the room in the beginning of the class and in case of bulbs are missing/burn- out cost of the bulbs to be deducted from the hostel deposit after replacement.
